

1 The Financial Services Authority

The FSA is the independent watchdog that regulates financial services. It requires us to give you this document. Use this information to decide if our services are right for you.

2 Whose Commercial Products do we offer?

We offer products from a limited number of insurers aimed specifically at the late night leisure industry and related entertainment venues where special trade considerations &/or special circumstances apply.

Please ask us for a list of the insurers we offer cover from in these circumstances.

Commercial products for the late night leisure industry and related entertainment venues may also be sourced from a single specialist insurer and may be placed via another intermediary, Lloyds broker or underwriting agency.

Please ask us for full details of the insurer/insurers we can offer insurance from.

3 Which service will we provide you with ?

We will advise and make recommendations on Commercial products and insurers for you after we have assessed your needs.

We will ask some questions which may narrow down the selection of products that we will provide details on. This may also reduce the number of insurers we can offer products from. You will however then need to make your own choice on how to proceed.

4 What will you have to pay us for our services

No fees are applicable unless specifically noted and agreed as part of the overall pricing of the commercial product.

You will receive a quotation which will tell you about any other fees relating to any particular insurance policy not applied by Nightclub Direct & Millenium Leisure Ltd.
